Country Music Star Mark Wills to Perform at TASER Foundation's Benefit Concert for Families of Fallen Officers

TASER Foundation to sponsor second Annual Takin' the Ride for Fallen Officers motorcycle rally and Makin' the Drive Golf Tournament

SCOTTSDALE, Ariz., February 23, 2007 – The TASER Foundation for Fallen Officers and the Fountain Hills Chamber of Commerce announced today that national country music recording artist and honorary Chairman of the TASER Foundation, Mark Wills will perform a benefit concert on Saturday, March 10, 2007 at 3 p.m. at the Fountain Hills Park in Fountain Hills, AZ. The concert is part of the Takin' the Ride Motorcycle Rally which includes a memorial motorcycle run, vendors, food, live music, auctions and more.

In conjunction with the Takin' the Ride rally, the TASER Foundation will sponsor Makin' the Drive Golf Tournament at the Longbow Golf Club in Mesa, AZ on March 11th at 8 a.m. The weekend of charity events will raise awareness and funds to continue the Foundation's support of the families of fallen officers in the United States and Canada.

Mark Wills first hit the country charts in 1996 with "Jacob's Ladder," and soon followed with #1 hits like "I Do (Cherish You)," "Don't Laugh at Me," and the smash hit "19 Something." Wills' current single, "Take It All Out On Me" from his forthcoming 2007 album, is currently climbing the country singles chart. In addition to being a talented performer, Wills is a sworn reserve deputy sheriff in Cherokee County, GA and a proud supporter of law enforcement and the military.

Sponsors for the Takin the Ride include Harley-Davidson[®] Motor Company, Playboy[®] Racing and TASER International.

Since TASER International bears the administration costs for the Foundation, 100% of all net proceeds from the weekend event will go directly to the families of fallen officers.

Visit the TASER Foundation website at www.TASERFoundation.org for registration and sponsorship opportunities.

About the TASER Foundation

Established in November 2004, the TASER Foundation for Fallen Officers has distributed \$1.2 million dollars to over 300 families in the United States and Canada. The TASER Foundation is unique as it provides immediate benefits to families in the United States and Canada from federal, state, county, and local law enforcement organizations. In addition, its program is

designed to fill the gap between an officer's death and when pensions and other benefits begin. In most cases a grant request is processed within 24 hours of receipt.
